

Assured Research, LLC

Introduction to our Firm and Services

Assured Research is a research and advisory firm dedicated to the property/casualty insurance industry. We were formed in November, 2011 and are pleased to count U.S. and global (re)insurers, brokers, consultants, private equity firms, and business schools among our subscribers and clients. Our subscribers write or control some \$250 billion of annual premiums.

Our offerings include:

The Assured Research Package: Subscription research including our monthly Assured Briefings, Industry Studies, Assured Reports, and Assured Comments. We offer monthly webinars and our work may be eligible for continuing education credits.

Educational Services: Our Industry “Teach Ins” have been presented to hundreds of professionals. Again, our work may qualify for continuing education credits.

Bespoke Research: Proprietary analysis for insurance professionals and investors who subscribe to our work.

Information on our services and engagements can be found at www.assuredresearch.com. Our research emphasizes business development topics and we endeavor to combine unique sources of both qualitative and quantitative information when researching our topics.

We are proud of our differentiated research which has been cited in the *New York Times* and *Wall St. Journal* in addition to trade magazines such as *Carrier Management*. Our research has also been featured in business school and risk management courses at universities across the country.
